## [Gaming Gadget - SL400 ROG DESTRIER/BK/WW//]

### < Product Specification Summary >

- **Cyborg-inspired design:** Exoskeletal design adds futuristic style to any gaming setup.
- **Perfect fit:** Extreme adjustability including headrest and lumbar ensure the best possible support and comfort for gaming and more.
- **Made for mobile gaming:** Special mode raises armrests up to 14 cm to elevate arms to the ideal position for mobile gaming; plus, armrests can be rotated 360°.
- **Less noise, deeper immersion:** Detachable acoustic panel reduces distraction and creates a surround sound-like acoustic space around your head.
- **Crafted from premium materials:** Constructed with a strong aluminum frame, breathable mesh and comfortable PU foam to provide sublime support and comfort.

### < Highlighted Key Features >

## GOT YOUR BACK

The ROG Destrier Ergo Gaming Chair is an all-new, all-enveloping cradle that's styled after the futuristic aesthetic of a cyborg, and engineered with exceptional levels of adjustability to ensure maximum comfort during play. It features head lumbar support and luxuriously padded armrests that have a special elevation mode just for mobile gaming. There's even a detachable acoustic panel that shields you from distractions for enthralling gaming immersion. Pull up the Destrier Ergo Gaming Chair and prepare for battle – because we've got your back!

## Cyborg-Inspired Design

The ROG Destrier Ergo Gaming Chair channels the look of a cybernetic exoskeleton, adding a futuristic edge to any gaming setup.

With the ROG Destrier Gaming Chair, ROG designers created the ultimate gaming accessory that embraced and combined the essence of esports and user ergonomics. After numerous 3D-printed prototypes, the designers arrived at the final form of the ROG Destrier Gaming Chair, complete with breathable mesh and contoured PU armrests for

exceptional, long-term comfort during marathon gaming. Plus, it caters to just about any body shape or size thanks to height adjustable armrests, lumbar support, along with seat recline and depth adjustment.

## Perfect Fit

The ROG Destrier Ergo Gaming Chair is extremely adjustable, so every aspect of it molds perfectly to your body.

## Made For Mobile Gaming

A special mode designed especially for mobile play allows the armrest to be raised by up to 14 cm, elevating your arms to the ideal height for handheld gaming – while 360° rotation enables infinite fine-tuning for total comfort.

## Enhanced Noise Reduction And Deeper Immersion

The detachable acoustic panel blocks distractions from the sides for deeper gaming immersion.

## Crafted From Premium Materials

The ROG Destrier Ergo Gaming Chair is engineered for both strength and comfort, with a solid aluminum frame, breathable mesh cradle and soft PU foam padding – all contributing to an overall look and feel that’s beyond belief.
