XPG BATTLEGROUND XL PRIME GAMING MOUSE PAD

Made with smooth, scratch-resistant, and splash-proof CORDURA® fabric, and sporting an extra-spacious footprint, the XPG Battleground XL PRIME mouse pad is your foundation for great gaming.

CORDURA® Fabric

With splash-proof, scratch-resistant CORDURA® fabric, the Battleground XL PRIME's surface gives you the stability and accuracy you'll need to come out on top.

Extra-Large Gaming Surface

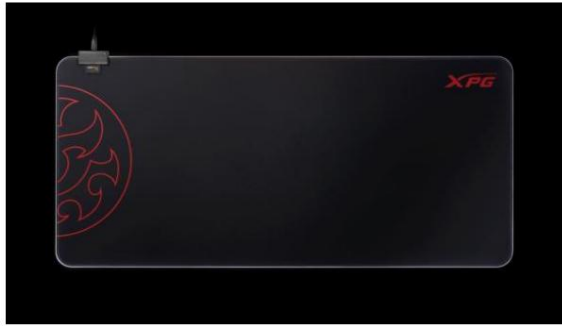

The extra-large gaming surface gives you the freedom to make wide movements, giving you the ultimate versatility. The soft surface provides for a comfortable resting platform for your wrists and arms.

Two-Zone RGB Lighting

The two-zone RGB lighting offers a range of colors to choose from to set the ideal gaming mood for every gaming session.

Features

- Extra-large gaming surface
- Tejido CORDURA® a prueba de salpicaduras y resistente a los arañazos
- Two-zone RGB lighting
- Anti-slip rubber base
- Detachable braided cable
