INTRODUCTION OF MERA

INTRODUCTION OF MERA

Mera is XPG's brand ambassador. She has many talents including acting, content creation, and modeling. But her favorite pastime is gaming.

Mera loves XPG products so much that she even lets us put her face on our packaging. You can find Mera at all our events and even during our digital product showcases.

She truly is our biggest fan.

Two of Mera's biggest projects are her live stream series, Ask Mera Anything, and XPG's fictional animated series, Xtreme Saga. She's the star in both. In Ask Mera Anything, Mera likes to talk about new or upcoming products and services from XPG. In Xtreme Saga, Mera travels through space fighting against evil in order to save the Valorus Galaxy.

It's a sci-fi adventure You don't want to miss.
