## EC680 NVMe M.2 PCIe SSD Enclosure

The ADATA EC680 enclosure gives your old internal M.2 PCIe a new lease on life as an external SSD. The EC680 supports USB 3.2 Gen2 interface, with Type-C port, providing transmission speed up to 10 Gbps. Misty rock grey aluminum alloy case is its top feature. This improves heat spread and provide better grip.

### Fast USB 3.2 Gen2 Speeds

EC680 Enclosure supports PCIe Gen3 x2 bus speed to increase read/write performance to 1,050 /1,000 MB/s. It ensures all transfers, whether of large files, random small files, or dynamic or static image output, are completed at the highest performance.

### Compatible with Multiple SSDs Form Factors

EC680 Enclosure is compatible with 2230, 2242, 2260, 2280 M.2 form factors, providing wide range and compatibility for users to change their SSDs within easy process.

### Fast & Intuitive Tool-less Installation

The EC680 emphasizes a convenient tool-less installation design. After removing an old M.2 SSD from your computer, perhaps following an upgrade. Just simply slide the side latch on the EC680 to eject the inner tray for swapping SSD. The entire process requires no tools, making it quick, intuitive, and effortless.

### Efficient Cooling, Distinctive Style

EC680 PCIe M.2 SSD Enclosure features an exquisite misty rock grey aluminum alloy casing, incorporating a unique, three-dimensional textured fin design. This design not only effectively enhances heat dissipation efficiency for stable operation but also provides a secure and comfortable grip, representing a perfect fusion of form and function.

### Features

- Stylish geometric design with RGB lighting
- Compatible with NVMe PCIe M.2
- Supports multiple M.2 SSD sizes
- Supports USB 3.2 Gen2

### Specifications

- Color: Metal Gray
- Compatibility:  
SSD: M.2 PCIe(NVMe) Form Factor:  
2230 / 2242 / 2260 / 2280
- Dimensions (L x W x H):  
116.42 x 38.24 x 13.75 mm/4.58 x 1.50 x 0.54 inch
- Weight: 69g / 2.43oz
- Interface: USB 3.2 Gen 2 Type-C (USB 10Gbps)
- System requirements: Windows 8/8.1/10,  
Mac OS X 10.6 or later (reformatting required for use),  
Linux Kernel 2.6 or later,  
Android 5.0 or later (with no device driver needed)
- Accessories:  
USB 3.2 Type-C to C cable,  
Quick Installation Guide
- Warranty: Limited 2-year
