

## Tapo P100

### NETWORK

|                        |                                                       |
|------------------------|-------------------------------------------------------|
| Protocolo              | IEEE 802.11b/g/n, Bluetooth 4.2 (for onboarding only) |
| Tipo Wireless          | 2.4 GHz                                               |
| Requisitos del Sistema | Android 4.3 or higher, iOS 9.0 or higher              |

### GENERAL

|                         |                                  |
|-------------------------|----------------------------------|
| Dimensions( H X W X D ) | 2.2* 2.2* 1.3 in (55*55*32.5 mm) |
| Materia                 | PC                               |
| Botones                 | Power Button<br>Status LED       |

|                            |                            |
|----------------------------|----------------------------|
| Requerimientos de energía. | AC 100-125 V~50/60 Hz 10 A |
|----------------------------|----------------------------|

### ESTADO DE TRABAJO

|              |              |
|--------------|--------------|
| Carga Máxima | 1200 W, 10 A |
|--------------|--------------|

### OTROS

|                        |                                   |
|------------------------|-----------------------------------|
| Contenidos del Paquete | Mini Smart Wi-Fi Socket Tapo P100 |
|------------------------|-----------------------------------|

Quick Start Guide

|                 |                |
|-----------------|----------------|
| Certificaciones | FCC, RoHS, ETL |
|-----------------|----------------|

|          |                                                                                                   |
|----------|---------------------------------------------------------------------------------------------------|
| Ambiente | Operating Temperature: 0 °C– 40 °C (32°F–104°F )<br>Operating Humidity: 10%–90%RH, Non-condensing |
|----------|---------------------------------------------------------------------------------------------------|
