Type C to C Magnetic Cable

## MAGNETIZED SELF-ORGANIZING

### USB-C to USB-C Magnetic Cable

The ADATA USB-C to USB-C magnetic cable is a charging data transfer cable that utilizes magnetically jacketed wiring that automatically returns the cable to its predetermined coil shape. It adopts the USB 3.2 Gen2 standard and features a data transfer rate of 10Gbps. It supports USB Power Delivery (PD3.0) and maximum QC3.0 charging at 100W/5A and is suitable for a variety of devices.

#### Untangle Your Life

The ADATA USB-C to USB-C magnetic cable utilizes magnetically jacketed wiring that automatically returns the cable to its predetermined coil shape. Be free of tangled cables as the ADATA USB-C to USB-C magnetic cable stows perfectly and automatically on the go, on your desktop, and everywhere in between.

#### 4K Ultra HD in Your Pocket

Play 4K UHD video beautifully at 60Hz on the go! The ADATA USB-C to USB-C magnetic cable adopts the USB 3.2 Gen2 standard and features a data transfer rate of 10Gbps. It can effortlessly output 4K@60Hz video directly from your smartphone to a 4K display.

## PD3.0 & QC3.0 Fast Charging

Supports USB Power Delivery and QC charging with fast charger at a maximum charging power of up to 100W. It is suitable for a variety of devices including laptops, iPhone 16 series smartphones, Android phones, tablets, gaming handhelds, game consoles, and Bluetooth headsets.

## Tested to 20,000 Bends

The outer layer of this USB-C cable is highly wear-resistant braided nylon fiber. This structure improves the transmission efficiency of data and power and has passed 20,000 bend and insertion test cycles, giving it enhanced durability.

## Features

- Magnetic self-organizing.
- Data transfer rate of up to 10Gbps with USB 3.2 Gen2, supports 4K@60Hz video output.
- Supports PD3.0 and QC3.0 fast charging with a max 100W/5A output on all devices including iPhone 16 series, Android phones, laptops, tablets, and desktops.
- Safe charging with E-marker chip for enhanced charging stability.
- Nylon braided cable rated at over 20,000+ bend lifespan.

## Specifications

- Interface: USB-C
- Color: Black
- Length: 100cm
- Weight: 58.3g
- Texture: ALUMI (plug) / Nylon braided (cable)
- Transfer Speed: 10Gbps
- Power Charging: 5A
- Warranty: 1-year limited
