

COMPONENTES DE PC MPG EZ120 ARGB / WHITE COOL VIBES, EFFORTLESSLY

FEATURES

Magnetic Connection

Each two MPG EZ120 ARGB fans can be connected by patented Magnetic Connector Blocks, delivering power and controlling fan speed and LED signals, making installation effortlessly

ARGB Fan

MPG EZ120 ARGB features 33 well-arranged addressable RGB LEDs that show MPG spirits and make it flawless from all possible angles

Mystic Light Sync

Set up the vibe in your way! Each fan is divided into 3 zones to control lighting effects and colors individually via the Mystic Light utility

Exclusive Fluid Dynamic Bearing Structure

The exclusive structural design optimizes the original fluid dynamic bearing (FDB) design that decreases noise level of bearing and enhances durability by extra nut fixing structure

The hub has 4 expansion ports and supporting up to 18 pcs MPG EZ120 ARGB fans connection that maximizes the airflow and lighting at the same time.

Note

The fan hub and related features are only included in 3 fans package.
