

Main Features

- **Trust your documents to Brother Genuine.** From client proposals to customer estimates and top-level presentations, you can depend on the outstanding quality and reliable performance of Brother Genuine Toner.
- **Higher yields for high-volume printing.** Formulated exclusively by Brother to achieve consistent ISO-standard page yields up to 3,000 pages† in Brother Digital Color Printers and All-in-Ones.
- **Fit for your success.** Available in a range of higher yield options including convenient, cost-effective multipacks (TN2294PK, TN229XL2PK) that save you 10% more than individual cartridges.
- **Leave the recycling to Brother.** Return used cartridges back to Brother through our complimentary toner cartridge collection and recycling program. It's our way of helping you and your business help the environment.
- **Optimize your printer's performance.** Developed as part of a complete printing system, Brother Genuine Toner cartridges work in tandem with the DR229CL Drum Unit to achieve vivid, crisp, professional-looking prints while helping you protect the investment you've made in printing equipment. Expertly engineered for dependable compatibility, Brother Genuine Supplies deliver worry-free reliability, precise performance, and laser-quality results.
- **Developed for Brother printers.** Use with Brother multi-function and all-in-one digital color printers with laser-quality: HL-L3220CDW, HL-L3280CDW, HL-L3295CDW, HL-L3300CDW, HL-L8245CDW, MFC-L3720CDW, MFC-L3765CDW, MFC-L3780CDW, and MFC-L8395CDW.
